

SCORE BOOK INSTRUCTIONS

The score cards in this booklet have been colour coded by distance. The distance is printed at the top and the cards may be used in 7, 10 or 15 round matches. Please leave blank or strike through any unused score boxes. Please ensure that the appropriate sticker is affixed to the correctly coloured card for the distance concerned.

CONVERTIBLE SIGHTERS *(See Rules 299 and 341 to 350)*

All sighters in the Imperial Meeting are convertible. If the competitor decides to convert one or both sighting shots, the value(s) must be struck through with a diagonal line and transferred to the boxes for the first, or first and second, counting shot(s) as the case may be. Any scoring spaces left blank, crossed through or written "C" will count zero: only the shots entered in the scoring boxes will be accepted in Stats.
